The Maine Pottery Tour is a self-guided driving tour of pottery & ceramics studios around the state.

On April 30<sup>th</sup> & May 1st, you have an opportunity to meet the artists, peek in the kilns, watch demos, & see the spaces where the magic happens. The Maine Pottery Tour celebrates its 9th year with 54 studios! In the Coastal Region, we have 20 participating studios. For a complete list, please visit [www.maine potterytour.org](http://www.maine potterytour.org). There you will find links to studios and an interactive map to plan your pottery road trip.

*The Maine Pottery Tour is funded in part by a grant from the Maine Arts Commission, an independent state agency supported by the National Endowment for the Arts.*
